DUAL SFX FRAG PRO WIRELESS

The DUAL SFX FRAG PRO wireless controller works with all games and game styles. One of the most easy to use and intuitive controllers ever designed specifically for the PS3. The DUAL SFX FRAG PRO wireless gives you that same PC style game-play on the PS3 and doubles as an optimized mouse for PS Home and Browser navigation. Faster, more accurate and easier to use than a standard PS3 controller. You can dynamically program the motion and adjust the mouse sensitivity- making the DUAL SFX FRAG PRO wireless a truly intelligent controller.

THE ULTIMATE CONTROLLER SYSTEM FOR PLAYSTATION 3

PACKAGE INCLUDES: FRAGCHUCK, MOUSE, MOUSEPAD, DONGLE
